Churn Rate % by paymentmethod

26.54

Overall Churn Rate

HIGH RISK: Month-to-month contracts
42.7% churn rate vs 2.8% for two-year contracts

Recommendation: Incentivize annual contracts

Churned customers paid \$74.44/month
Retained customers paid \$61.27/month

Recommendation: Price optimization for fiber optic plans

CRITICAL:
51.4% of customers churn in first year
Average tenure of churned customers: 21 months

Recommendation: Onboarding improvements + 6-month check-in
